

Clapeta de Humos

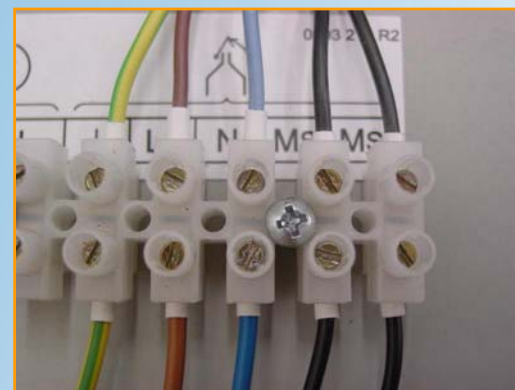

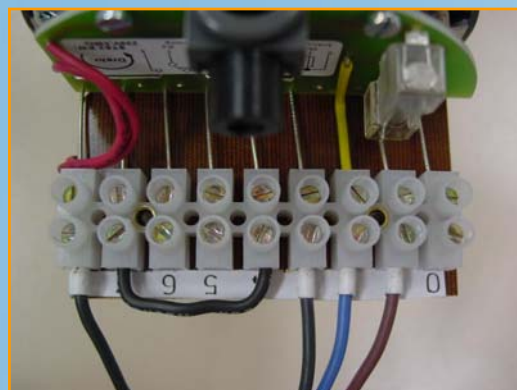

- La Clapeta de humos reduce las pérdidas en Standby
- Debe instalarse correctamente para evitar las roturas
- Si la clapeta no se instala correctamente puede provocar estos errores:
 1. < 05-2000 code P-04 of P-05
 2. > 05-2000 thermocontrol no da código pero la unidad no arranca.
 3. Thermocontrol F-13 of F-14
